

# YOUTH PHILANTHROPY RESOURCES

Are you a youth-serving organization, school, community or private foundation, faith-based congregation/organization, civic club or United Way organization that has faced the challenge of how to involve youth in “giving and serving” within their community? If so, we are pleased to recommend the following cutting-edge resources and nationally-recognized educational materials to help your organization grow lifelong philanthropists who give of their time, talent and treasure for the common good.

## All Ages

### YPH Tool Kit

Gives valuable information about starting a youth philanthropy program in your school or community organization.

### [www.learningtogive.org](http://www.learningtogive.org)

1,000+ lesson plans that educate young people about philanthropy. Easily integrated into social studies and other curricula, and coded to Indiana academic standards.

### YPH Dollar Drive Tool Kit

Gives step-by-step instructions for conducting a fundraising effort in your school or community.

## Ages 5-10

### Save the Earth Now (Grades K-5)

Lesson plans coded to Indiana academic standards related to environmental stewardship and philanthropy.

### The Word for Me is Philanthropy

Stories, activities and hand-outs help children to understand the world - and word - of philanthropy.

### What If Everybody Gave?

Storybook about the potential change we would see if everyone gave just a little.

## Ages 11-18

### Habits of the Heart

Offers active ways to become givers through diverse faith traditions. Especially appropriate for faith-based organizations.

### Youth in Governance

Offers youth and adults technical and group process skills necessary to serve on a board of directors.

### Youth as Philanthropists

Fun, engaging and age-appropriate activities teach young people the language and history of philanthropy.

### Youth as Trustees

Lays the foundation for young people who wish to understand the role of a community trustee.

## Ages 11-13

### Philanthropy, Leadership and Careers that Make a Difference

Lesson plans and resources that teach and inspire young people about the history, principles and practices of philanthropy.

### Save the Earth Now (Grades 6-8)

Lesson plans coded to Indiana academic standards related to environmental stewardship and philanthropy.

## Ages 14-18

### Save the Earth Now (Grades 9-12)

Lesson plans coded to Indiana academic standards related to environmental stewardship and philanthropy.
