

“Great Grants & Super Service” Recognition Activity for YP Jam

\$500 cash prizes being awarded to organizations who present the most creative grant or super service activity that makes a positive difference in a community.

Tell the world about your “Great Grant or Super Service Activity!”

Each organization with members attending the conference is asked to pick the most creative grant/project that you have funded that makes a positive difference in a community and put together a display board with pictures and information about the grant/project. Make it fun and attractive.

Include: Name of organization, funding amount, description of project, who was involved, what difference it made, project pictures if available and why you believe it was a “great grant.”
Poster board not to exceed 3’ X 4 ‘.

A representative from your organization will also have the opportunity to speak for two minutes about the grant to the participants at the conference. Please decide who will speak and what will be said before the YP Jam. The participants will choose which grant/project is the most creative and which makes a positive difference in the community.
